# SIT SMART, LEARN BETTER

Bright Mind Chair is a modern, child-friendly chair designed for comfortable learning and play. Its ergonomic design supports good posture, while the comfy backrest helps children sit with ease during activities. The wide seat offers extra comfort and stability, and the anti-skid legs help keep the chair secure on different floor surfaces. Finished in modern Scandinavian colours, it fits beautifully into classrooms, playrooms, and contemporary learning spaces.

Adjustable Height

# PLAYGRO CHAIRS-BUILT FOR COMFORT

Our range of chairs is thoughtfully designed to combine comfort, safety, and durability for everyday classroom and play use. Available in various colours and modern designs, each chair features an ergonomic shape, wide seating space, and a comfortable backrest to support proper posture. Curved, non-sharp edges and anti-skid legs enhance safety, while the sturdy construction ensures long-lasting performance, making our chairs a reliable choice for active learning environments.

# YOUR PERFECT SEAT

Our chairs combine ergonomic comfort with a strong, child-friendly build, ideal for growing children and everyday classroom use. Lightweight yet durable, they feature a wide backrest for better support, a stackable design for easy storage, and bright colours that add energy to any learning space.

# COLORFUL EVA FOAM INTERLOCKING MATS – SAFE, SOFT & FUN FLOORING FOR KIDS

These EVA foam interlocking mats are designed to create a safe, cushioned, and vibrant play area for children. With a 10mm thickness for extra comfort and protection, they absorb impact while providing a non-slip textured surface. The mats come in bright colors (blue, yellow, orange, green), encouraging a cheerful and engaging environment. Easy to assemble like puzzle pieces, they can be expanded to fit any space, making them ideal for playrooms, schools, gyms, or nurseries. Lightweight, durable, and washable, these mats ensure safety, comfort, and style for both kids and adults.

# CLICK · LOCK · PLAY
